Created by Women's Clinic and Family Counseling Center, the "Heels that Heal" program combines our signature special event Shoe Frenzy and our mission to help women. Each year hundreds of women come to Shoe Frenzy to buy new, name brand ladies shoes at discounted prices, and each year the funds raised thru this event help Women's Clinic to provide low-cost and free health care and counseling services to uninsured and working poor women throughout Southern California. The "Heels that Heal" program sells unique accessories and all proceeds are used to help fund our programs. The "Heels that Heal" items are a reminder that this special event is not just about our love of shoes - it is about our love of women.

Women's Clinic & Family Counseling Center is a non-profit 501(c)(3). Contributions are tax-deductible to the extent permitted by law. Thank you for your support!!!
